

Wheat Rust Survey Form – 2008*Please complete at least the mandatory fields indicated with an asterick (*)*

* Surveyor name:

* Country/Institution:

* Email / Tel:

* Date of survey (d/m/y):

* Location name:

* Waypoint ID (as entered in GPS):

--	--	--	--	--	--

* Latitude (decimal degrees): **N** **S**

		.					
--	--	---	--	--	--	--	--

* Longitude (decimal degrees): **E** **W**

		.					
--	--	---	--	--	--	--	--

* Altitude: _____ meters

* Crop Trial Weed Roadside

* Disease	Stem Rust	Leaf Rust	Stripe Rust	None
Incidence (% tillers)				
Severity (%)				

* Crop: **Bread wheat** **Durum wheat** **Barley** **Triticale** **Oats** **Other*** Growth stage (Zadoks scale stage): **0** **1** **2** **3** **4** **5** **6** **7** **8** **9**

* Field area size: _____ ha

Variety:

Stem Rust sample collected: **Y** **N**

Sample ID number:

Contact with Farmer: **Y** **N**

Original expected yield (t/ha):

Actual expected yield (t/ha):

Planting date (d/m/y):

Previous crop:

Date of first observation of rust in area (d/m/y):

Fungicide sprayed: **Y** **N**

Fungicide used:

Dose (litre/ha):

Date(s) of spraying (d/m/y):

Effectiveness of spray(s): **Not Effective** **Mod. Effective** **Highly Effective**Irrigated: **Y** **N**Fertilizer: **Y** **N**Weed Control: **Y** **N**Season Type: **Normal** **Late** **Early** **Dry** **Wet** **Warm** **Cool**

Proportion of wheat in immediate farming system: _____ %

Soil colour: **Red** **Brown** **Yellow** **Grey** **Black**Moisture: **Dry** **Moist** **Wet**

Comment / Observation: _____
